

KINGDOM HEARTS SHONEN

ORGANIZATION BLUEPRINT

ORGANIZATION X

INTRODUCTION

Organization X is a rebellious organization founded by Netherios. He seeks control, chaos, and destruction — which, in his eyes, is justice.

MOTIVES

Their goal is to destroy the Shonen Kingdom and kidnap the vessel of Ultima — revealed to be Princess Xerathena. They intend to use her power to open Shonen Hearts, flooding not only the Shonen Kingdom but all Shonen Worlds with darkness and seizing absolute control.

ORGANIZATION Y

INTRODUCTION

Organization Y was founded by Netherina. They are viewed as enemies by both Organization X and the Shonen Kingdom. After the events of the Shonen War in Fallen Prince, they went rogue and abandoned their loyalty to the Kingdom, earning the label of traitors. Hunted and watched by both the Kingdom and Organization X, they now operate in the shadows, watching over Princess Xerathena and ensuring her safety from Organization X.

MOTIVES

Their primary purpose is to protect Princess Xerathena and, by extension, the Kingdom. Despite this protective role, they remain enemies in the eyes of both the Shonen Kingdom and Organization X — a unique and precarious position that forces them to stay hidden while continuing their mission.
