Uniforms & Authority Structure

Group	Appearance	Role / Behavior
Regular Students	Standard blue/teal Aquaberry vest	Standard student body
Aquaberry Prefects	Purple vests + black uniform pants	Hand-to-hand combat opponents (fightable like Hall Monitors)
Navy Security	High-level secret security force	Top-tier security for extreme trespassers. More brutal than Loungeworth Prefects. Equivalent authority with harsher takedowns.

Key Notes

- Prefects can be engaged in regular hand-to-hand combat.
- Navy Security is reserved for serious trespassing situations and is significantly more aggressive. Hand-to-hand combat is futile against them.
